CERTIFICATE OF CONFORMITY

No. 9 183 – 1 / Z

In accordance with Paragraph 23, Section 1 of the State Building Code of Baden-Württemberg dated March 5, 2010, last amended by law of 7 February 2023, and according to the results of the factory production control, it is hereby confirmed that the following building product

Adjustable telescopic steel prop with calculated load-bearing capacity, type "EuMax Pro" class E25, D30, E35, D40, E45 and D55

of the manufacturer

MEVA-Schalungs-Systeme GmbH Industriestraße 5 DE-72221 Haiterbach

manufactured in the plant

"59"

complies with the regulations of the applicable Technical Rules

DIN EN 1065:1998-12 and Annex C 2.16.1 of VwV TB BW

as published in section C 2.16.1 of the Administrative Regulations Technical Building Rules of Baden-Württemberg (VwV TB BW) dated 12 December 2022.

The regular third-party inspection was carried out by the accredited inspection body

SIGMA KARLSRUHE GmbH, Daimlerstr. 21, 76316 Malsch.

Provided no significant changes are made to the product or its method of manufacture, this Certificate of Conformity is valid until 30 May 2024.

Malsch, 23 May 2023

Dipl.-Ing. Rolf Brückel Head of Certification Body
